YOUR PATCHES (THE COUNTRIES)

_____

_____

Embroidered, velcro-backed country patches. Boarding in January: they're on their way by post.

Cut along the dotted line

A patch for every country they've been to.

One design for all 196 countries, so the collection always matches.
Velcro-backed, for a rucksack, jacket or cap, and they swap in seconds.

Tick off the countries you've been to, free, at passthepassport.life/me
